## Plumbing World Port Douglas 2024 Overseas Trip

It is with great satisfaction that we can finally announce another fantastic destination for you to enjoy as part of our successful Overseas Trips Programme. It has been a long time since our last trip to Fiji in 2018. So in May 2024 we will be taking you to the stunning destination of Port Douglas in Australia.

Port Douglas is in the far north of Queensland and is renowned for its World Heritage listed Great Barrier Reef so of course our programme wouldn't be complete without a private trip to the Great Barrier Reef and all the beauty it has to offer.

We'll be staying at the beautiful Sheraton Mirage Resort Port Douglas which is perfectly nestled amid

white-sand beaches and tropical gardens. The resort features over two hectares of swimmable, saltwater lagoon pools complete with cabanas, and a swim-up bar.

Port Douglas will be a great destination to kick start our Overseas Trips Programme again in a new world of travel post the pandemic. This will be another memorable trip experience and not to be missed, so we look forward to receiving your registration for 'Pearlers of Port Douglas'. Port Douglas will be our 20th Overseas Trip and 2024 is also our commemorative year for celebrating 60 years of being a co-operative, so we'd love for you to join us to celebrate this special occasion.
